of multi-level parking, models are to be worked out to encourage the private sector initiative with restricted commercial component, not exceeding 10% limited to FAR 40 on the plot.

(ii) WATER SUPPLY:

Based on general policy under MPD-2021, Delhi Jal Board envisages private participation in water sector on a limited scale. Some of the major projects are being executed on design,build & operate basis for particular duration fixed depending on the requirement of the infrastructure available.

(iii) NIGHT SHELTER:

In the MPD 2021, it is proposed that in order to make the provision of this facility, financially sustainable for the local body, innovative concepts such as integrated complex with commercial space on the ground floor and night shelter on the first floor are to be explored. The guidelines and incentive package should be designed by the concerned local agency in collaboration with the Government of NCt of Delhi with a view to develop self-sustaining night shelters.
